Easter and spring

Easter and spring

Look on the bright side

Spring does everything with a playful smile and a sparkle in the eye. Just like the designs in this theme trends; Easter Essential, Floral Therapy and Easter Classics. Colourful eggs, lively colours and joyful seasonal motifs set the stage for laughter-filled celebrations with loved ones and frantic, happy hunts for chocolate goodies winking from the bushes.

Sehen Sie es von der positiven Seite

Der Frühling macht alles mit einem verspielten Lächeln und einem Glitzern in den Augen. So wie die Designs in diesen Thementrends: Easter Essential, Floral Therapy und Easter Classics. Bunte Eier, lebendige Farben und fröhliche, saisonale Motive bilden die Bühne für lachende Feste mit den Liebsten und die hektische, fröhliche Jagd nach Schokoladenleckereien, die aus dem Gebüsch blinzeln.

Regardez le côté positif

Le printemps fait tout avec un sourire enjoué et une étincelle dans les yeux. Tout comme les décors de ce theme trends; Easter Essential, Floral Therapy und Easter Classics. Des oeufs colorés, des couleurs vives et des motifs saisonniers joyeux préparent le terrain pour des célébrations riches en rires avec vos proches et surtout aux chasses aux oeufs en chocolats, qui vous attendent dans les buissons.

CERTIFICATIONS THAT DRIVE SALES

The products in our collection carry a variety of environmental and quality certifications. Here you can find out what they mean.

ZERTIFIZIERUNGEN, DIE DEN UMSATZ FÖRDERN

Die Produkte unserer Kollektion tragen eine Vielzahl von Umwelt- und Qualitätszertifikaten. Hier erfahren Sie, was sie bedeuten.

We now offer napkins with the OK Compost HOME label. You can compost these at home. For instance, by putting them on the compost heap in your garden. This is because they compost at lower temperatures than used for industrial composting.

The Forest Stewardship Council® (FSC) certification ensures the product is made of wood from forests managed in an environmentally appropriate, socially beneficial and economically viable manner.

The Nordic Swan Ecolabel identifies the best products on the market from an environmental point of view.

www.blauer-engel.de/uz5

The BLUE ANGEL is the world's first Ecolabel. The best known environmental certification in Germany, it is the label of the German federal government. It sets high standards for eco-conscious product design, provides reliable information, and promotes sustainable consumption.

Ab sofort bieten wir Servietten mit dem OK Compost HOME Label an. Diese können im Haushalt kompostiert werden. Beispielsweise auf dem Komposthaufen im Garten. Dies liegt daran, dass sie bei bereits niedrigeren Temperaturen kompostieren als bei der industriellen Kompostierung.

Die Forest Stewardship Council® (FSC)-Zertifizierung besagt, dass das Holzprodukt aus umweltgerecht, verantwortungsvoll und wirtschaftlich nachhaltig bewirtschafteten Wäldern gefertigt ist.

Das Nordic Ecolabel Swan zertifiziert die vom Umweltstandpunkt aus besten Produkte auf dem Markt.

www.blauer-engel.de/uz5

Der BLAUE ENGEL war das weltweit erste Umweltzeichen und ist die bekannteste Umweltzertifizierung in Deutschland. Es setzt hohe Maßstäbe für umweltbewusstes Produktdesign, liefert verlässliche Informationen und fördert einen nachhaltigen Konsum.

DES CERTIFICATIONS QUI DOPENT LES VENTES

Les produits de notre collection ont obtenu plusieurs certifications qualité et environnementales. Elles sont décrites ici.

Nous proposons désormais des serviettes avec le label OK Compost HOME. Ces serviettes sont compatibles avec le compostage dans un cadre privé. Elles peuvent être tout simplement mises au compost dans le jardin. Elles se décomposent en effet à des températures inférieures à celles utilisées dans les installations de compostage industrielles.

La certification du Forest Stewardship Council® (FSC) garantit que le produit est fabriqué à partir de bois issu de forêts gérées de façon respectueuse de l'environnement, socialement bénéfique et économiquement viable.

L'écolabel nordique Swan distingue les meilleurs produits du marché sur le plan environnemental.

www.blauer-engel.de/uz5

BLUE ANGEL est le tout premier écolabel de niveau international. Cette certification écologique est un label du gouvernement fédéral allemand. Celui-ci définit des normes très strictes pour des produits de conception écoresponsable, fournit des informations fiables et prône un mode de consommation durable.

PRODUCT DETAILS IN YOUR LANGUAGE.

The references in these tables link to references in the design section tables. Use them to find product descriptions in the language that suits you best. This should help with answering any questions you may have, as well as ordering.
